

Apollo Hill Main Zone Section 17540N

Apollo Hill Main Zone Section 17610N

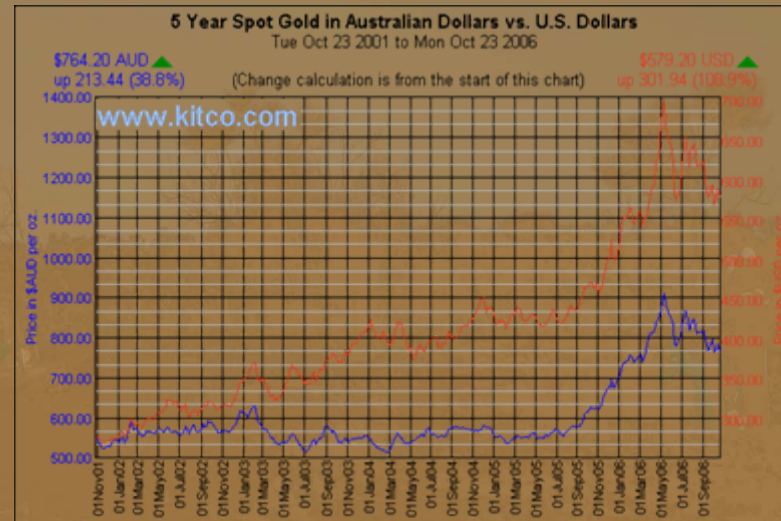

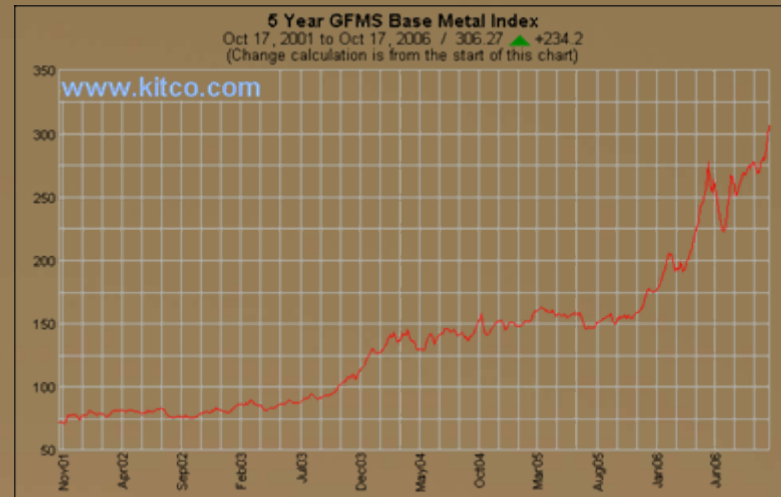

- 🏠 Apollo Hill has potential to become a regionally significant asset.
- 🏠 Looking like a classic Goldfields system
- 🏠 Continue to follow system down dip and along strike
- 🏠 Follow up drilling mid November
- 🏠 1800m of drilling planned

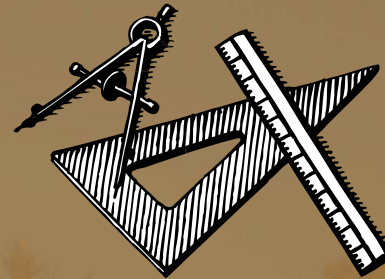

Metals Demand – the long-term outlook

- 🌅 Base Metals continue to ride high.
- 🌅 Gold increasing in favour again as a real value store.
- 🌅 All metals continue to trade at or near record highs as physical metal inventories are consumed.
- 🌅 The supply / demand equation is extremely tight and remains susceptible to supply disruptions.
- 🌅 Brokers and analysts continue to upgrade their forecasts as the boom continues.

- 🏠 Emerging Australian resource company
